## IN MEMORIUM

WILLIAM (BILL) TRYNACITY Suddenly on May 29, 2005 in Winnipeg, William (Bill) Trynacity died from a massive heart attack just shy of his 76th birthday. Bill was born in The Pas, MB June 11, 1929. He moved to Winnipeg after high school where he met his future wife Margaret. They were married for 52 years and spent most of their life together in Gimli. Coming from little means, Bill wanted to build a better life for he and his family. And he did. He worked for CN for a couple of years, then became a public health inspector. He worked for the Government of Manitoba for 30 years before his retirement in 1992. Bill was a witty conversationalist who enjoyed reading everything from newspapers to biographies to historical novels. When he finally put down his books he could be found puttering away in the kitchen or garden. Later in life, he and Marge traveled to Hawaii every winter where they enjoyed the company of lifelong friends. He took great pride in Marge's painting and in the accomplishments of his children and grandchildren. In his younger years, Bill was active in the community as Past President of the Gimli Kinsmen Club, Past President of the Gimli Lutheran Church Council. He was a Past Master of the Viking Lodge #175. Member of the Khartoum Temple Vintage Car Unit and a member of the Interlake Shrine Club. Bill leaves to mourn his loving wife Margaret (Marge); his eldest daughter Karen Troughton of Saskatoon (Gerry), Kim Trynacity of Edmonton (David Popowich) and his grandchildren, Ramsey Troughton, Alex Troughton and Zachary Trynacity-Popowich. Bill is also survived by his mother Mary Wozny (Trynacity) of Winnipeg and his sister Elsie Vatzel of Morden. Bill was predeceased by his father Alexander Trynacity in 1956. In lieu of flowers, donations can be made to the Manitoba Heart and Stroke Foundation or the Shriners Club. Viewing took place at Gilbert's Funeral Home in Gimli, Thursday, June 2, 2005 from 7:00 p.m. to 8:00 p.m. Following cremation, funeral services were held Friday, June 3, 2005 at the Gimli Lutheran Church at 2:00 p.m. with Pastor Rainie McKinnon officiating. Honorary pallbearers were as follows, Peter Winne-muller, Richard Hopko, Marshall McCarthy, Roy Gilbert, Len Fiebelkorn, Bill Coulsen, Dave McKenzie, Larry Berg and Jack Koch. Gilbert Funeral Home, Selkirk was in care of arrangements.

# BRANCH CHALLENGES

## BC Branch

Former Kootenay PHI, Alex Nilsson, now 70, is roller skiing across Canada this summer. This is yet another of his personal quests, as well as an opportunity to raise funds and awareness for Diabetes. Alex continues to be an inspiration of

physical and mental determination.

The BC Branch would like to challenge all other CIPHI Branches to meet or beat BC's pledge of \$200 towards Alex's quest to raise awareness for diabetes education as he roller skis across Canada.

The pledge will be for Alex Nilsson to compete in the Reykjavik (Iceland) Marathon in 2006. The majority of money donated will go towards diabetes research (<http://www.fitstep.com/ski-site/donate.htm>).

## AB Branch

Last year the Alberta Branch participated in the Canadian Breast Cancer Foundation, CIBC Run for the Cure. The event took place across major cities in Canada. In Alberta, 22 of our members across the province were able to attend and raised \$1500.00 for the record-breaking event of 2004. This year the Branch is once again taking part and is challenge all other CIPHI Branches to get their members involved and match or beat the amount raised last year by the Alberta Branch members.

The run will take place on October 2, 2005 in every province and territory. We encourage all members to join in this worthwhile cause by registering for the run at <https://www.cibcrunfortheCure.com>. This event unites over 170,000 Canadians and 10,000 volunteers in more than 40 communities. Our combined efforts and aspirations make a lasting impact for those touched by breast cancer.

With your participation, we can help support the Canadian Breast Cancer Foundation continues to raise awareness and money for breast cancer research.
