

BC BRANCH CONFERENCE FUND APPLICATION FORM

This fund is to offset costs for BC Branch members unable to secure full employer funding to attend educational conferences. The financing for this initiative is provided from the profits generated from fund-raising activities.

The BC Branch will reimburse conference bursary recipients upon receipt of proof of conference attendance and a written summary (approximately 500 words) of their conference experience for publication in the BC Page. In allocating funds, priority will go to long-standing members who have not previously been sponsored by the BC Branch as per the BC Branch Conference Sponsorship Policy & Criteria.

Name	Email
